

Clark Public Utilities' Stream Stewards

Do you have a genuine interest in the well-being of the environment?

Become a Stream Steward!

Clark Public Utilities' Stream Stewards Program is designed to provide environmental education on the fundamentals of local ecology and natural history in return for volunteer service. We are committed to conserving, restoring, and sustaining natural habitats for future generations. Classes start in September, so apply today!

Education Topics Include:

- Pacific Salmon
- Birds and Mammals
- Macroinvertebrates
- Hydrology
- Wetland and Riparian Habitats and Plants
- Water Quality

And More!
