

RESOLUTION NO. 6974

**A RESOLUTION ADOPTING A REVISED SCHEDULE OF RATES FOR WATER SERVICE, MODIFYING CLASSIFICATIONS, AND REPEALING ALL OTHER RESOLUTIONS, OR PARTS OF RESOLUTIONS IN CONFLICT THEREWITH**

WHEREAS, the Commissioners of Public Utility District No. 1 of Clark County, Washington, have periodically established a Tariff Schedule of Water Rates to meet changing requirements; and

WHEREAS, the District Commission finds it advisable in assessing revenue requirements to produce a more satisfactory flow of cash from revenues for construction, additional debt service, the increased cost of maintenance and operations, and other costs of doing business; and

WHEREAS, Staff studies find and the reports recommend that the rates should be adjusted and classifications modified in order to promote a more efficient and sound operation of the water utility; and

WHEREAS, public meetings have given customers the opportunity to comment on the proposed rate changes and classification modifications;

NOW, THEREFORE, BE IT RESOLVED by the Commissioners of Public Utility District No. 1 of Clark County, Washington, assembled this 17<sup>th</sup> day of January, 2012, as follows:

Section 1. The rates and classifications as set forth in the attached schedule are hereby adopted as the rate schedule for water service by the District from and after the effective dates hereof, as set herein.

Section 2. The effective date of Section 1 and application of rates authorized therein is February 1, 2012, and all consumption prior to such date is charged at the rates in effect prior to the effective date of this resolution. In implementing this resolution, the district will prorate bills as if water consumption occurred at a constant rate during the billing period in which the effective date of this resolution occurs.

Section 3. All other prior Resolution or parts of Resolutions in conflict herewith are hereby repealed as of the effective date hereof.

PASSED AND ADOPTED this 17<sup>th</sup> day of January, 2012.

RESOLUTION NO. 7196

**A RESOLUTION REVISING WATER METER SET FEES**

WHEREAS, the Commissioners of Public Utility District No. 1 of Clark County, Washington, periodically revises the charges for water services to reflect the cost of service; and

WHEREAS, studies performed by staff have found that the cost of new water metering equipment has increased and that the current meter set fees are insufficient to recover this cost; and

WHEREAS, staff recommends that the water meter set fees be adjusted to recover this cost; and

WHEREAS, the Commission finds that it is necessary to increase the fees associated with the placement of water meters in order to better reflect the actual cost of providing this service; and

WHEREAS, public meetings have given customers the opportunity to testify on this proposed fee change;

NOW, THEREFORE, BE IT RESOLVED by the Commissioners of Public Utility District No. 1 of Clark County, Washington, as follows:

- Section 1. The fees for setting water meters, as set forth in the attached schedule, are hereby adopted.
- Section 2. These new fees will become effective on July 14, 2015.
- Section 3. Once the new fees become effective, the prior water meter set fees are repealed.

PASSED AND ADOPTED this 14<sup>th</sup> day of July 2015.
