Pick your payment option!

- Pay online through **MyAccount** with your bank account – it's easy, anytime! View past payments, compare energy usage to prior years, and discover ways to cut energy waste with the free home energy calculator. You can also choose to go paperless and receive your monthly bill via email.
- Even out your monthly bills with **EqualPay**. Sign up and we'll divide your yearly bill into 12 equal payments for easy budgeting all year long. EqualPay amounts are adjusted every six months based on current energy usage and you never pay for more than you use.
- Set up recurring electronic transfers from your bank account with **AutoPay**. Pair this option with EqualPay and choose your preferred payment date each month. To sign up for recurring credit card payments call 360-992-3000.
