

MyAccount makes it easy!

Pay bills online, monitor use,
lower your bill.

Sign up for MyAccount! Reliable, quick and convenient.

From quick, secure online payments to simple ways to cut energy waste and lower your bill, MyAccount gives you instant access to your utility account, anytime.

Go paperless! Sign up for paperless billing from the start and receive convenient email reminders, helpful tips and more. Without any of the clutter that comes in the mail.

Reduce wasted energy! Use the free online home energy calculators to find easy ways to reduce wasted energy. Wonder if an upgrade to your heating system, a switch to LED lightbulbs, or new energy-efficient appliances will make a difference in your energy costs? The interactive energy calculators will help you find the areas where changes at home will have the biggest impact.

Balance your monthly budget! Sign up for EqualPay to average your bills across all 12 months of the year and even out your payments for better budgeting. Set up AutoPay to make sure you never miss a month. Or use MyAccount to make a one-time payment online.

Need help getting started? Call us 24 hours a day, seven days a week at **360-992-3000** and we can help.
