Prepare for 2019 Challenge

- Receive Judging Guide with criteria and constraints for the March 9, 2019 Clark Public Utilities Solar Car Challenge
- Get hands-on demonstrations with team car/vehicle materials, including a sample to take with you
- Team interviews with regional industry professionals
- Receive Activity Guide for use and adaptation to prepare students for the challenge

Teachers who intend to participate will receive FREE team materials and basic solar car kits funded by voluntary customer contributions to the Clark Public Utilities Green Lights Program.
