

Journeyman Meter Technician

Clark Public Utilities is a progressive, customer-owned electric and water utility located in Vancouver, Washington. Our mission is to provide excellent customer service, reliability, and efficiency. We are currently looking for Journeyman Meter Technician with this same commitment to excellence. Working hours are Monday through Friday, 7:00AM to 3:30PM.

RESPONSIBILITIES

- Provide excellent customer service
- Test, install, repair and/or calibrate all types of revenue meters and associated equipment including: digital and electromechanical meters, recording instruments, instrument transformers, meter test equipment, etc.
- Perform work using standard utility safety practices, utility industry meter standards and meter programming software
- Obtain power quality measurements

QUALIFICATIONS

High school graduate with sufficient past experience in meter work to perform the above duties. Ability to read, legibly write and converse in the English language. Must have a valid driver's license.

HOW TO APPLY

Clark Public Utilities offers excellent benefits, an attractive wage, and company incentive programs. For confidential consideration, please forward your resume with cover letter via email to jobs@clarkpud.com. Resumes may also be sent to Clark Public Utilities, Human Resources Dept., P.O. BOX 8900, Vancouver, WA 98668.

RATE OF PAY

Current wage as of 3/1/2019 is \$46.99 per hour.

Equal Opportunity Employer
