

2020 Clark Public Utilities Home & Garden Idea Fair Exhibitor load out instructions

The final day of the Home & Garden Idea Fair is Sunday, April 26 and we will be open until 5 p.m. Please take advantage of the full day to promote your products and services to our guests by remaining in your booth with your exhibit FULLY set up until that time.

The loading dock gate will be open at 5:30 p.m. for load out, and will remain open until 9 p.m. Sunday night. Please pack up all of your materials in your booth before moving a vehicle to the loading dock.

Beginning at 5:30 p.m. on Sunday vehicles will also be allowed to enter the Event Center midway through the south gate. Traffic will move one-way to the midway, then turn towards the west gate where vehicles will leave the grounds. If you park along the midway, please be certain that your vehicle doesn't block other traffic.

You can also remove your things on Monday, April 27 from 8 a.m. and 4 p.m.

All exhibit materials must be out of the building and off the event grounds by 4 p.m. on Monday, April 27.
