

WASHINGTON STATE CERTIFIED BACKFLOW TESTERS

Clark Public Utilities makes no representation regarding the abilities, performance, or quality of service of the testers listed below. Further, Clark Public Utilities does not assume or accept any responsibilities for the actions or performance of such testers. This list is provided merely for the convenience of our water service customers. Customers are required to use their own judgment with respect to contracting with these or any other testers. Prices vary per backflow assembly tester. Not all Washington certified Backflow Assembly Testers are on this list.
