

LEVEL II EV CHARGER FORM - RESIDENTIAL

All sections must be filled out by the customer or installer at the time of installation. A copy of this completed form, the purchase receipt or invoice that includes purchase date must be submitted to Clark Public Utilities in accordance with utility policy. A charging unit model's qualification is determined based on the Energy Star rating at date of purchase and connected chargers must be listed on the Energy Star [qualified product list](#) (must be connected functionality capable).
