****Applicable to only "light passenger vehicles" or larger as classified by the National Highway Traffic Safety Administration (NHTSA) legally permitted to drive on all public roadways including interstate freeways and weigh at least 2,000 pounds. Annual program budget is limited by Washington state statute and subject to close upon exhaustion; incentive funding is distributed on a first come first serve basis. The WA Department of Licensing EV registration must show the customer paid all state and local taxes based on the fair market value of the EV. The rebate is only available for purchased EV's; vehicles won, received for no cost or received as a gift are not eligible for the program. Electric golf carts, electric utility vehicles (quads, side-by-sides, etc.), electric bikes, electric recreational ATV's, and electric motorcycles are not eligible for the program. The intention of this program is to incentivize limited income customers to replace combustion passenger vehicles with all electric passenger vehicles.***
