

## SMART THERMOSTAT REBATE FORM

Complete this form and submit it and your sales receipt(s) or invoice to Clark Public Utilities ([rebates@clarkpud.com](mailto:rebates@clarkpud.com)). Must be installed on an electric furnace or ducted heat pump to qualify. One smart thermostat per system with a limit of two per household. Rebate of **\$140** per qualifying smart thermostat. Only approved qualified products are eligible for a rebate; see next page for a full list. Smart thermostat must be purchased new. The rebate cannot exceed the sum of the purchase price and installation costs, not including sales tax. If applicable, include invoice or receipts for installation costs. Smart thermostat cannot be replacing an existing qualified smart thermostat. **This offer cannot be combined with purchases made on the [Smart Thermostat Marketplace](#).**

Household Information		
Customer Name	Installation Address (Street, City, State, Zip)	
Customer Phone	Home Type <input type="checkbox"/> Single Family <input type="checkbox"/> Manufactured Home <input type="checkbox"/> Multifamily <input type="checkbox"/> Existing <input type="checkbox"/> New Construction	
Customer Email		
Existing Equipment Information		Thermostat 1
What electric heating system is the thermostat controlling? <b>Natural gas furnaces or air source heat pumps with a natural gas furnace back-up do NOT qualify for this rebate</b>		<input type="checkbox"/> Electric Forced Air Furnace <input type="checkbox"/> Air or Ground Source Heat Pump
Previous Thermostat Type (If previous thermostat contains mercury, contact your local waste management or <a href="http://www.thermostat-recycle.org">www.thermostat-recycle.org</a> for disposal locations.)		<input type="checkbox"/> Programmable <input type="checkbox"/> Manual <input type="checkbox"/> Other _____
New Equipment Information		Thermostat 2
Thermostat manufacturer		<input type="checkbox"/> Electric Forced Air Furnace <input type="checkbox"/> Air or Ground Source Heat Pump
Thermostat model (item number)		<input type="checkbox"/> Programmable <input type="checkbox"/> Manual <input type="checkbox"/> Other _____
Thermostat serial number		
Who installed the thermostat?		<input type="checkbox"/> Customer <input type="checkbox"/> Contractor
Date of purchase		<input type="checkbox"/> Customer <input type="checkbox"/> Contractor
Thermostat settings reflect the local geographic area where it has been installed.		<input type="checkbox"/> Yes (required)
Occupancy detection has been set "ON"		<input type="checkbox"/> Yes (required)
If thermostat controls a heat pump, thermostat has been programmed to control a heat pump.		<input type="checkbox"/> Yes (required)
Thermostat was installed at the address listed above.		<input type="checkbox"/> Yes (required)
Thermostat purchase price (not including sales tax)		
Installation costs (if any)		
Installer (Customer or Contractor Name)		
By signing this form, I confirm the above information is correct to the best of my knowledge. The customer also authorizes the utility to utilize billing data for energy savings analysis. With this authorization, the utility may also release up to two years pre-installation and up to two years, post-installation of the customer's billing information to BPA and other third parties in order to perform energy savings analysis. The customer also hereby releases the utility from any and all liability arising from or connected with the release of this information.		
Account Holder Signature (must be signed by the person whose name appears on the electric utility account)		Date
