Pick your payment option!

- Pay online through **MyAccount** with your bank account - it's easy, anytime! View past payments, compare energy usage to prior years, and discover ways to cut energy waste with the free home energy calculator. You can also choose paperless billing and receive your monthly bill via email.
- Even out your monthly bills with **EqualPay**. Sign up and we'll divide your yearly bill into 12 equal payments for easy budgeting all year long. EqualPay amounts are adjusted twice a year based on current energy usage and you never pay for more than you use.
- Set up recurring electronic transfers from your bank account or credit card with **AutoPay**. Pair this option with EqualPay and choose your preferred payment date each month. To sign up for recurring credit card payments call 360-992-3000 or sign up online through MyAccount.
- Use our automated self-service **QuickPay** line at 360-992-3400 to pay by phone.

We can help! Give us a call or send us an email anytime, day or night, with questions or to sign up. You can also sign up at clarkpublicutilities.com or with the form provided here.
