

Substation Foreman

This full-time position reports to the Technical Services Supervisor and is located at the Ed Fischer Operations Center, 8600 NE 117th Avenue, Vancouver, WA 98662.

WHAT YOU WOULD DO:

May plan, schedule, direct, and supervise the work of two or more workers in the installation repair and maintenance of substation assets, structures, equipment, apparatus and wiring including line regulators. Document and record completion of work and test results. Perform Journeyman Lineman duties.

QUALIFICATIONS:

Journeyman Lineman with ability to plan and supervise the work of others. Must have five years' experience as a Journeyman Lineman. Preference given to those with one year of substation construction, maintenance, and troubleshooting experience. Able to satisfactorily communicate with fellow employees and the general public. Have a good knowledge of district policies and procedures in effect. Must have thorough knowledge of breakers, regulators, station transformers and other related substation equipment. Must be able to read and interpret electrical schematics and wiring diagrams. Must have a sound knowledge of substation test & measurement equipment, including experience using personal computers. Ability to read, legibly write and converse in the English language. Must hold a first aid card. Must have and maintain a commercial driver's license.

BENEFITS:

Employees and dependents are eligible for medical, dental, vision, basic life insurance and disability insurance. Employees are enrolled in Washington State PERS and may enroll in deferred compensation plans. Employees will also receive eight hours of vacation leave and sick leave every month and twelve paid holidays throughout the calendar year.

HOURLY RATE:

Substation Foreman: \$69.84/hour

HOW TO APPLY:

Please send your resume with a cover letter via email to jobs@clarkpud.com. Resumes may also be sent to Clark Public Utilities, Human Resources Department, P.O. BOX 8900, Vancouver, WA 98668.
